New horizons! What they mean to all of us! What they mean to you who are students of Central High! It is no exaggeration to state that you will be facing more new and more different kinds of horizons than has been the case with any previous student body. These horizons mean new opportunities, new purposes, new ways of finding that which you can do best and in which you can be happiest.

Many of these new vistas which beckon you can not be seen, nor reached without planning and effort on your part. Fortunately the joy and satisfaction that comes with genuine accomplishment in viewing and in reaching these new horizons more than offsets the hard work and difficulties involved.

My congratulations to every student in Central High School upon having the opportunity to live and to work in this era of new horizons, and my best wishes for every success in attaining those which mean most to you.

Herbert B. Bruner

F. R. BORN, PRINCIPAL

In addition to preparing students to live here and now, Central High School attempts to prepare its students for the New Horizons beyond graduation. The horizons will be many, varied, and significant. We trust that all of you will be intelligent, alert, courageous, and faithful to your duties and responsibilities and "Whatsoever thy hand findeth to do, do it with thy might."

You have my very best wishes for your success and happiness now and later.

Our three years at Central have been filled to the brim with happy experiences of all kinds. As our high school career nears its end, it is pleasant to review some of these memories. Our first president, Johnny Sloan, was our pride when he served us; he remains our pride as he serves his country. Jane Lee Sweet, the second semester president, helped to make the Sophomore party at the Uptown Theater a grand success. The numerous events of our busy Junior year were ably directed by Johnny Sloan and Jimmie Armor. Our Junior Play was "What a Life," a riotous comedy of school life starring Gloria Holloway and Billie Dee Stapp. Always the climax to spring events, the Junior-Senior Prom was a gala affair at the Mirror Room. Boys bringing fame to the Class of '44 on the football gridiron were Arthur Bobo and Lewis Amis who made the all-city team. Others distinguishing themselves were Martin Louthan, Olan Smith, Roy Ketchum, Guy Cooper, Harold Russell, Robert Atkinson, Earl Williams, Wendell Phillips, James Watts, and Thurston Blakely. Contributing to a successful basketball season were Jimmie Herndon of the all-city team, Vernon Bowen, Calvin McLish, J. T. Lackey, James Watts, Bob McCaw, and "Hoot" Noble ("Keeper of the Queen"). As Seniors we have enjoyed the honors and privileges which are due us. Our activities have been many—the Senior Play, the luncheon, the Senior Assembly, the Prom, and most of all Commencement—but pervading our thoughts has been the insistent note that soon we are to be separated. Many of the boys will enter the services, and all of us will face unusual circumstances and responsibilities. We are happy for three years of preparation, especially for the fine guidance we have had from Miss Lucille Taylor and the teachers who have helped her. Bill Callahan and Jimmie Armor, our presidents, did a superior job in forwarding the fame of the class.

Supporting all projects whether they were those of the class or those of the school generally, the junior class has developed leadership and initiative.

It would be impossible to name all who have contributed to the fame of the class without listing pages of names. However several names stand out and demand recognition.

Among those whose achievements in sports are outstanding are: Wayne Burrow, Leslie Ming, Raymond Carr, Bob Gregg, and Bob Vaughn.

The Junior Play, "Out of the Frying Pan," revealed talents for comedy in its players and amused a large audience.

Donelda Hight, Tommy Joyce Brantley, Betty Lou Chaffin, Jack Swidensky, Don Danner, Dahl Brown, and Harry Palmer displayed marked ability in various speech fields, and Rita Zo Brown, Jerry Dye, Elizabeth Harmon, Frank Lake, Betty Patton, Dixie Wails, and Barbara Wildman distinguished themselves in scholarship.

And then as the year came to an end we gave the seniors a big send off with the Junior-Senior Prom, always the biggest social event of the year. We are looking forward to our next year when we will achieve even greater honors and will receive the rewards for our struggles as juniors.

While we are called "green sophomores" by the upperclassmen—we feel like a very important part of Central. After all we are a good one-third of the student body and have some fine leaders and outstanding students.

In speech we have Mary Frances Jackson, Gloria Barnett, and Bill Graham.

In sports the sophomores have many promising prospects for the future: Bob Entzminger, J. C. Moore, John Hany, Don Bridges, Jack Vaughn and Harold Warren.

Also we are proud of the sophomores who have won honors in scholarship: straight A's Joyce Bogard, Joyce Ann Conner, Peggy Nicholson, Lucille Phelps, and Tommie Lou Waddell.

This class of sophomores will take their place ably in Central's future.

Football Review

The Central Cardinals started a hard season this year handicapped by a lack of seasoned players, but the improvement of these new boys in a few games deserves recognition and acclaim from all.

The Cards made their debut with the other city teams in the Annual Football Preview at Taft Stadium, September 18. The Redbirds played a scoreless 12 minutes with Capitol Hill, but were defeated in the final quarter, 13-0 by Classen. Lewis Amis and Bob Vaughn were big ground gainers.

In their first scheduled game, the Cards met Ponca City, September 24. In the third quarter a pass from Amis to Bob Gregg set up the winning touchdown, allowing Vaughn to carry the ball around left end for the score. Leslie Ming's conversion was the deciding factor and Central won 7-6. Guy Cooper played a bang up game after substituting for Roy Ketchum due to his injury early in the game.

On October 1, the Card eleven dazed the experts by holding the mighty Norman Tigers to a score of 18-0. Earl Williams showed outstanding defense ability breaking through the Norman line.

The Central Cards were downed 20 to 12 by the Enid Plainsmen on October 7. This is the first defeat the Cards have suffered at the hands of the Plainsmen in a home game.

October 15, before an estimated crowd of 8,000 fans, the Comets defeated the Cards 27 to 6. Amis and Captain Ming were a threatening passing combination but were unable to crack the tough Comets. Robert Atkinson, replacing Williams at left guard, played an outstanding game.

On October 22, the Cardinals trounced Chickasha 26 to 7. Ming and Gregg led the Cards' driving offense with a 24-yard pass from Amis to Bill Huffman. Thurston Blakely played a heads up game when he replaced James Watts who had a fractured leg.

The Central Cardinals met the Capitol Hill Redskins October 28, where the Amis to Gregg combination passed Central to a 12 to 0 Victory.

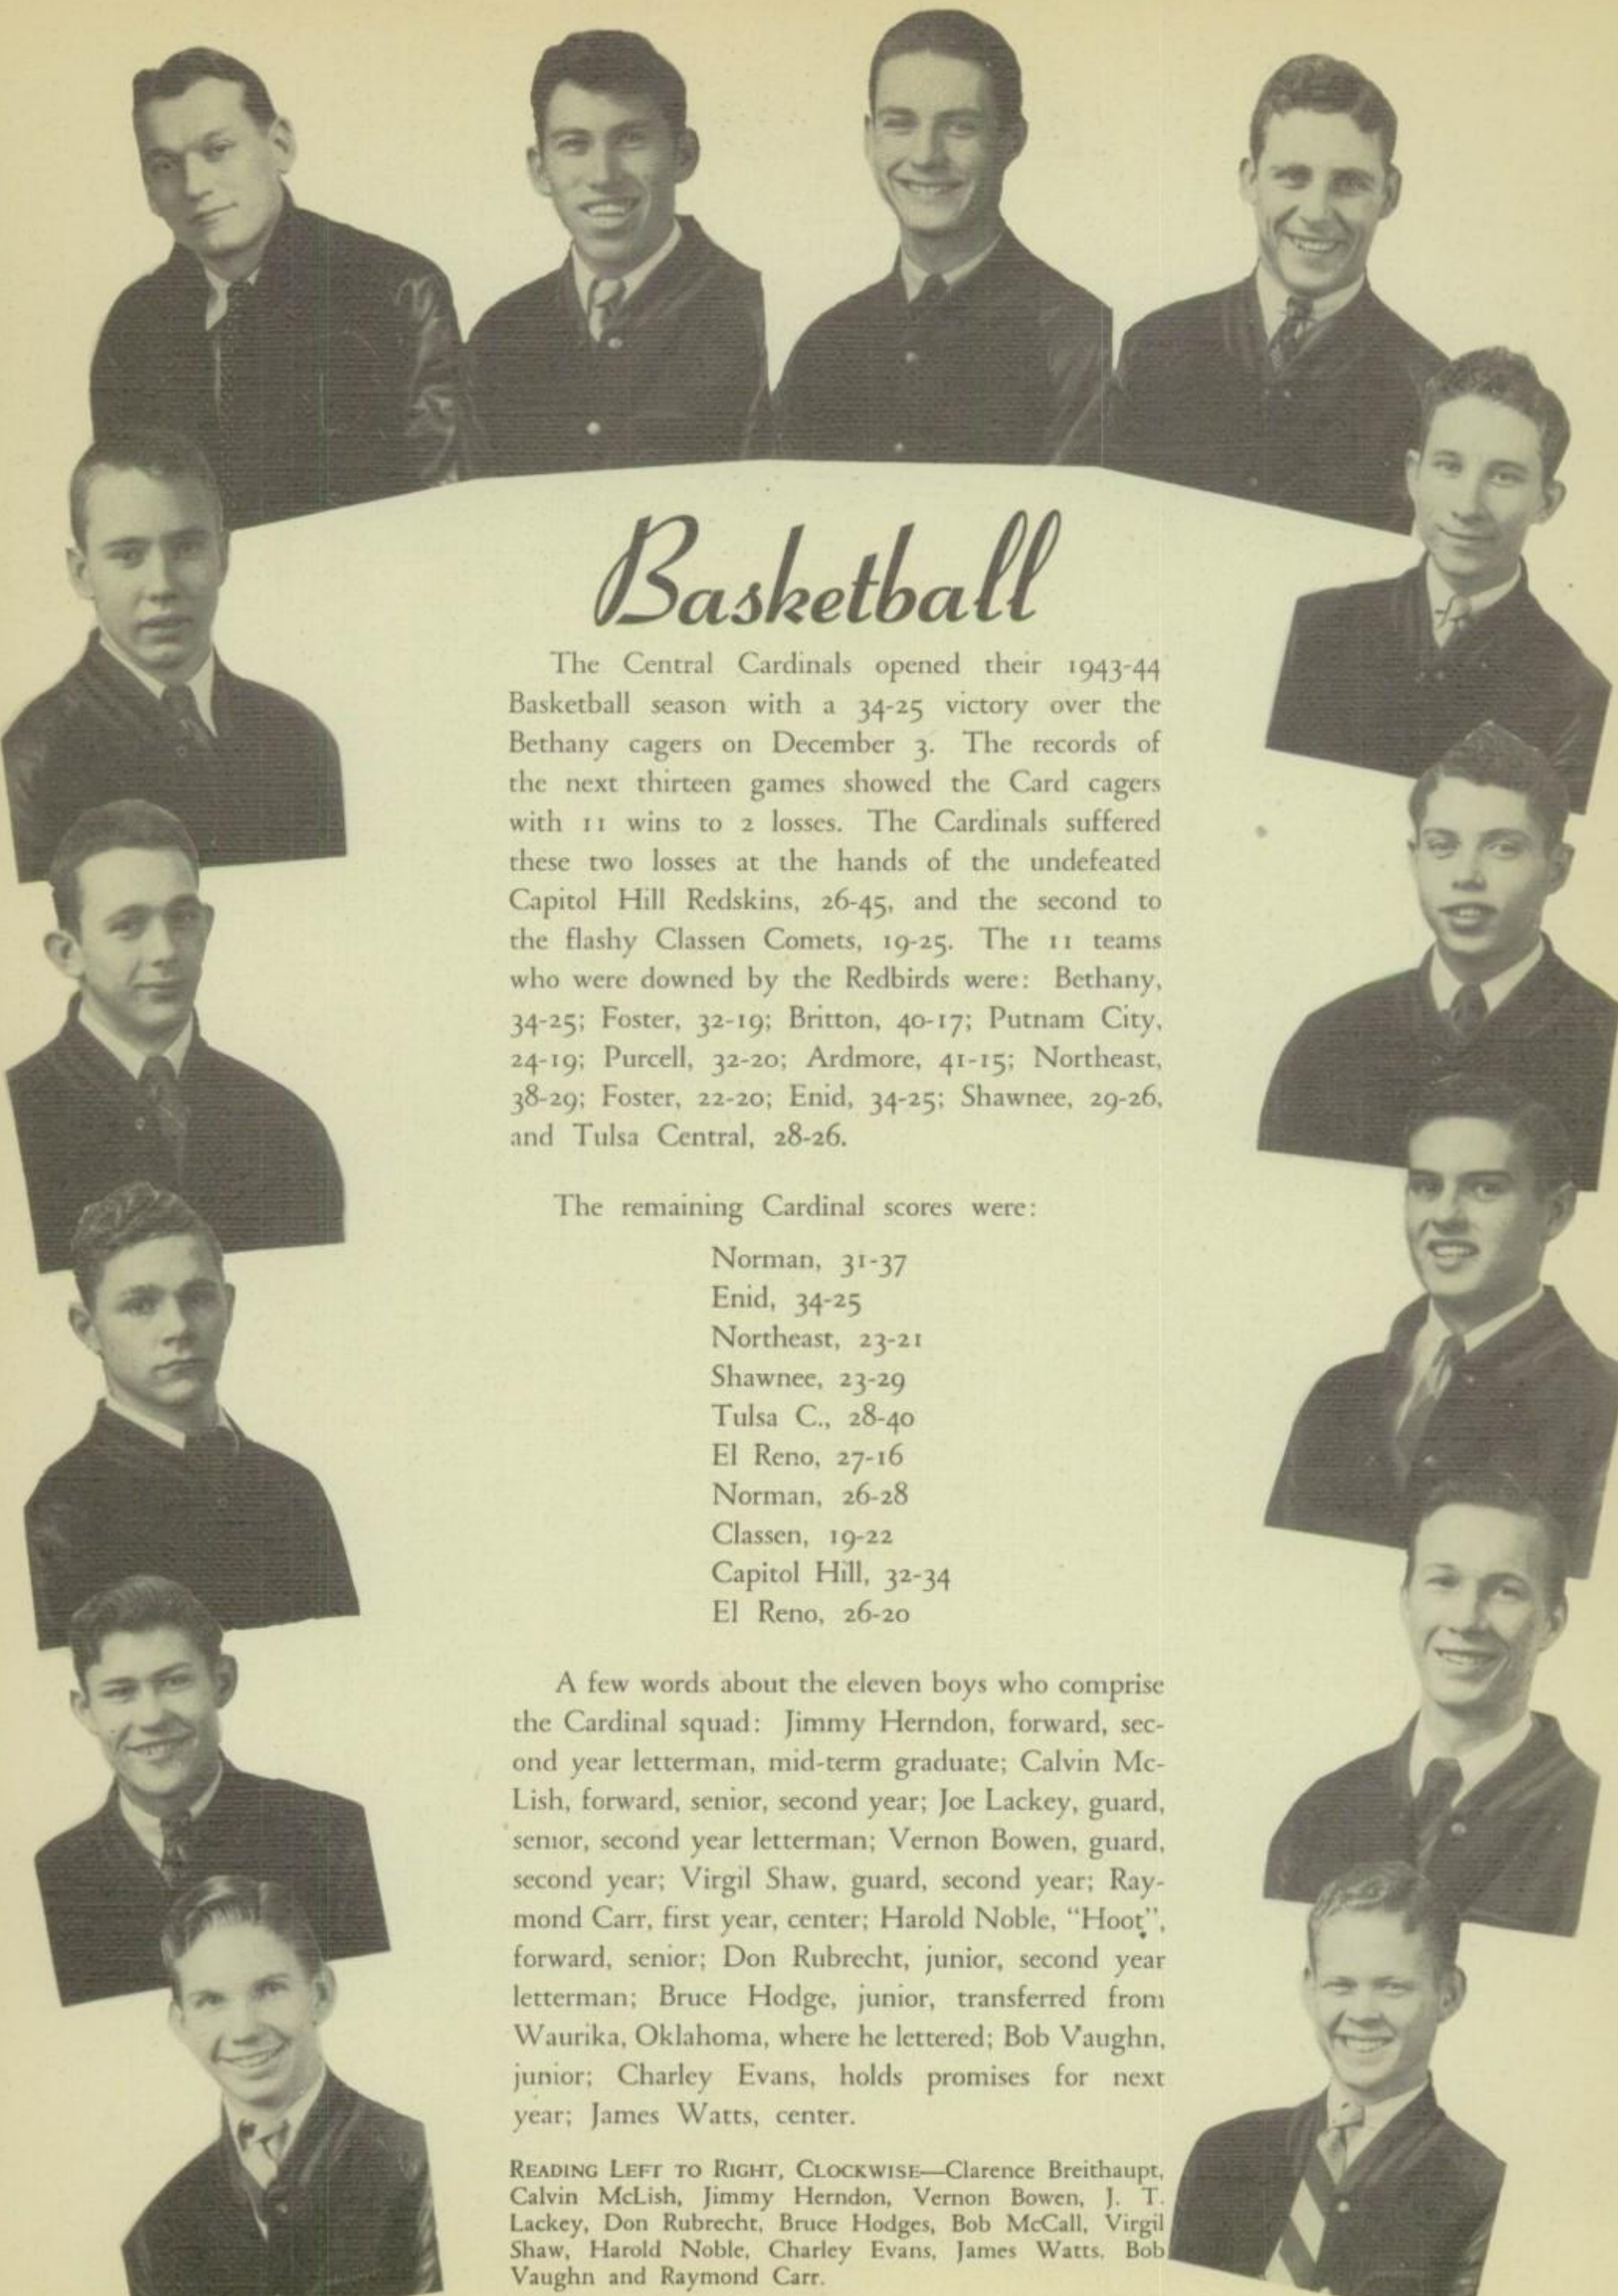

November 11, at Taft Stadium, the Cards crushed Northeast 40 to 0. Tom Phillips intercepted a Norseman pass on the OHS 15-yard line and sprinted 85 yards for the fourth tally. Pat Knox, the outstanding back of the evening, completed 3 out of 4 passes. Two were touchdown passes caught by Raymond Carr.

Central's gridmen were fortunate this season receiving no major injuries, although James Watts, one of Central's outstanding quarterbacks, sustained a leg injury at the first of the season that kept him out of the games permanently. Several other players received minor injuries.

The last game of the season with the Maroon-clad Perry team wrecked the Central defenses and left the desperate Cards on the short end of a 7 to 0 score. With the sparkling defensive playing of the line-men—Bill Southern, Robert Atkinson, Arthur Bobo, Bill Huffman, Wayne Burrow, and Martin Louthan, the Perry team was held to a single score. Lewis Amis was Central's All-Star of the game—His passes were able, his punting was outstanding and this was a major part of the Cards defense.

Central placed three men on the first and two men on the second All-City team—Lewis Amis, Leslie Ming, and Arthur Bobo on the first; Wayne Burrow and Bob Gregg on the second, also Leslie Ming made first string Mid-State while Lewis Amis and Bob Gregg placed on the third team.

The Cardinal reserves, playing good ball all season, include Olan Smith, Paul Baker, Ed Garrett, Jim Bennett, Harold Russell, Harold Meridith, Thurston Blakely, Harry Palmer, Wendell Phillips, and Phillip Neilson. The team next year should be one of the best in the state since there are 14 lettermen returning.

Basketball

The Central Cardinals opened their 1943-44 Basketball season with a 34-25 victory over the Bethany cagers on December 3. The records of the next thirteen games showed the Card cagers with 11 wins to 2 losses. The Cardinals suffered these two losses at the hands of the undefeated Capitol Hill Redskins, 26-45, and the second to the flashy Classen Comets, 19-25. The 11 teams who were downed by the Redbirds were: Bethany, 34-25; Foster, 32-19; Britton, 40-17; Putnam City, 24-19; Purcell, 32-20; Ardmore, 41-15; Northeast, 38-29; Foster, 22-20; Enid, 34-25; Shawnee, 29-26, and Tulsa Central, 28-26.

The remaining Cardinal scores were:

Norman, 31-37
 Enid, 34-25
 Northeast, 23-21
 Shawnee, 23-29
 Tulsa C., 28-40
 El Reno, 27-16
 Norman, 26-28
 Classen, 19-22
 Capitol Hill, 32-34
 El Reno, 26-20

A few words about the eleven boys who comprise the Cardinal squad: Jimmy Herndon, forward, second year letterman, mid-term graduate; Calvin McLish, forward, senior, second year; Joe Lackey, guard, senior, second year letterman; Vernon Bowen, guard, second year; Virgil Shaw, guard, second year; Raymond Carr, first year, center; Harold Noble, "Hoot", forward, senior; Don Rubrecht, junior, second year letterman; Bruce Hodge, junior, transferred from Waurika, Oklahoma, where he lettered; Bob Vaughn, junior; Charley Evans, holds promises for next year; James Watts, center.

READING LEFT TO RIGHT, CLOCKWISE—Clarence Breithaupt, Calvin McLish, Jimmy Herndon, Vernon Bowen, J. T. Lackey, Don Rubrecht, Bruce Hodges, Bob McCall, Virgil Shaw, Harold Noble, Charley Evans, James Watts, Bob Vaughn and Raymond Carr.

Wrestling

SECOND ROW—Richard Burleson, Tom Hoard, Bob Lutz, Bob Davis, Carroll Emberton, Bill Wallace, Gordon DuPree, Coach.
FIRST ROW—Lawrence Haile, Bob Sallinger, Robert Starks, Glynn Bernard, Jack Drummond, Tom Phillips, Frank Taylor, Wayne Burrows, Ed Garret.

Wrestling in Central celebrates its third anniversary this year and Coach Gordon Dupree reports that this scientific sport is making steady and rapid progress.

Wrestling enjoyed more popularity this year than in the two previous years, when the Athletic board sold season tickets for the home games.

Mr. Dupree says that wrestling takes at least five or six years to develop, and that he wants to build and keep interest in it because it is the only sport in which either extremely light or heavy boys can participate. Coach Dupree attended Oklahoma A. and M. College and won the National A. A. U. title in the 175-lb. class.

The track season of 1943 produced a fair outcome for the Central Team. Led by outstanding men such as Virgil Day, Alfred Needs, Eugene Roberts, Bob Vaughn, Tom Phillips, and Leslie Ming, the Cardinal Team defeated Capitol Hill in a dual meet by scoring $53 \frac{2}{3}$ points. After participating in meets at Pauls Valley, Shawnee, Norman, and the State meet, the Red Birds placed 2nd in the City meet, scoring 42 points. Central placed four first places, Eugene Roberts in the 880; Louis O'Haver, the high hurdles; John Horn, the high jump; and Virgil Day, the mile.

The Team of 1943 included, besides the above mentioned, the following: Louis O'Haver, John Richardson, Robert Warren, Harold Qualls, Ralph Sudik, and Raymond Carr.

BACK ROW—Calvin McLish, Bob Vaughn, Don Eckert, Raymond Carr, Bob Davis, Don Welker, Coach Dupree.
MIDDLE ROW—Bob Gregg, John Wolfe, Dale Turner, Eugene Kunc, Louis O'Haver, Virgil Day, Tom Phillips.
FRONT ROW—Bob Horne, Donald Skeel, Robert Stark, Charles Glasgow, Glenn Bernard.

The Physical Education program for girls at Central is meeting the needs of war-time Oklahoma City in its broad, all-inclusive program. "Activity" has been the "pass word" with intraclass and interclass volleyball the most popular sport.

The program includes group games, physical fitness exercises, team sports, individual sports, square dancing, bowling and skating.

Interest in maintaining vigor and health is high. Central's girls are doing their wartime bit by active participation in the program with resulting improvement in their own physical fitness.

The noon hour recreation period, sponsored by the department, is a popular period—filling a need for the entire student body.

Something new in the way of interschool competition was introduced in the fall of 1943 when Capitol Hill, Foster, Britton and Central high school girls competed in Field Ball and Speedball. Central's girls won the city title in both tournaments.

The Volleyball team for the first semester accounted for itself in the city tournament held January 13, 1944—finishing second.

The spring sports program will include interschool softball, volleyball and track and competition in badminton, tennis, archery, and ping pong.

This year, under the sponsorship of Miss Elder, the Student Council has reached new heights in leadership and popularity. Composed of the leaders of all classes in the school, the council is the governing body of the school. The council contributed generously to all funds and passed laws concerning election eligibility and established an election schedule. Money raised in Student Council was donated to the Red Cross. During the second semester the council sponsored a Teen Town organized for Central and did an excellent job. With a fine record, the student government looks forward to a promising season next year.

For fourteen years the Red Skirt Pep Club has been on top. These girls have really made a name for themselves. Their Drum and Bugle Corps and Program Unit may be found entertaining throughout the state. Some outstanding highlights, and it would be impossible to mention all, were their "Holiday Inn Dance," their pledges' backward dances, the annual Red Skirt Week, Leap Week, and their Christmas Minstrel. Wherever Central is being represented, Red Skirt pep will be found. Besides ushering for various performances you will find the girls have contributed much toward victory. You must confess the girls have pep for O. H. S.

Organized in 1921, the first pep club west of the Mississippi, the Red Shirt Club is one of the leading organizations of Central. In its membership one can find many leaders of the school, politically, socially, and athletically. Under the guidance of Mr. Miller, the Red Shirts have risen to new heights in popularity and in social and beneficial activities. Among these were the annual Christmas and Spring Dances, many informal dances, and, best of all, a minstrel show to raise money for a speakers stand and six chairs for the auditorium. Also March 17 the Red Shirts had a Father and Son Banquet, enjoyed by all. The Red Shirts are looking forward to many more successful years.

The Black Skirts, the newest pep club in Central, was founded four years ago by Central's faculty. Through their various activities the Black Skirts have not only made a name for themselves at Central but are well-known all over the city.

Although these girls are busy with the activities of the school they find time to usher at the state basketball tournaments, the Golden Gloves, and all other sports events at the Municipal Auditorium.

The first social event was in November when the Black Skirts entertained with a backward dance and one of the highlights of the year was December 29, when the Black Skirts introduced to Central their holiday "Ring Dance." The "Ring Dance" was more than a success and is to be an annual affair.

Although pep is their chief aim, the Black Skirt members are some of the most outstanding art, music, and speech students in Central.

"To put Central over the top" has been the chief aim of the Ciceronians this year for they have taken charge of the War Stamp booth and all the campaigns for the War Loan drive. Since its organization in 1912, the Ciceronians have produced some of the outstanding speech students in Central and each year they give awards to speech students in each Junior High School. Highlighting their social life, the Ciceronians gave their annual steak fry at Will Rogers park and they started the new year right with their Stag Banquet in the Biltmore. The Ciceronians showed their speech ability in their assembly which was one of the finest assemblies of the year. By their many worthwhile activities these boys, who have gone "all out for victory," have been an inspiration to every student in Central.

The Jeffersonian Debating Society, the oldest club in Central, was organized two years before statehood in 1905. The club this year sponsored and financed the redecoration of the teachers' lounge. The \$75 needed was obtained by the boys themselves through a school-wide rummage sale. Their other activities consisted of the annual Hay Rack Ride, Stag Banquet, Spring Formal Dance, and the Jeff Cup Debate. The Banquet, rivaled only by the Hay Ride, consisted of a reunion of Jeffs from each of the thirty-nine consecutive years of the organizations existence. Not only are the "Jeffs" debators, but showing their versatility they sported an undefeated football team.

Central's Girl Reserve Club has been evident in many school activities this past school year. With the leadership of the president, Catherine John and the guidance of the Adviser, Mrs. Marian Nelson, several worthwhile projects were completed by the members. Among the accomplishments were: the sponsorship of High School Activity Night at the Y.W.C.A., participation 100% in Red Cross membership, worked many hours in a Civilian Defense project, served the Central High School Football Banquet.

Members were recognized in an initiation service at the Y.W.C.A. and have worked at many tasks at the Y. W. C. A.

"Of one blood hath He made all nations" is the motto of the Pan-American Student Forum, whose purpose is "to bring about a closer relationship, sympathy, and understanding with the peoples of the American continent."

In addition to having an extremely high scholastic record, the Pan-Americans believe in having fun as well as studying. The outstanding social functions of the year were the Christmas Dance, the Leap Year Party in March, and the annual April Dinner-Dance on Pan-American Day.

The most important public service rendered was the interesting lecture by Mr. Charles Morrow Wilson in November, sponsored by the Pan-Americans, and the inspiring assembly given in the Spring in collaboration with the Les Beaux Arts Club.

The American Junior Red Cross is a division of the American Red Cross whose purpose is service to the school, community, and nation, and is in cooperation with the Junior Red Cross of this and other countries in the development of international goodwill.

In the annual membership drive this year Central homerooms and organizations were 100% in contributing \$500 to the nation-wide drive.

This Christmas the O. H. S. Junior Red Cross chapter filled and sent eight Christmas gift boxes to children in foreign countries.

Besides sending gift boxes to foreign countries the students of Central gave over 100 gifts to the Red Cross for the Christmas party for soldiers in the hospital at Will Rogers Field. Also there were representatives from Central on a committee of Junior Red Cross members who decorated the Christmas tree and recreation hall in the hospital for the party.

The purposes of the National Honor Society are to promote higher standards of scholarship, leadership, character and service. The activities of the organization this year have been the selling of postcards of Central High; the taking of the honor roll at the close of each nine weeks period, and the posting of the grade averages of the all-school-clubs.

The members of the Retailing Club are in the part-time cooperative program of Central. This program is a real life laboratory, and serves both the students and the merchants of the city.

To be selected as a trainee, a girl must have sound health, good character, and personal characteristics which give the school the right to expect the best from them in both class work and attendance.

This program is based on three hours daily study in school. The afternoon is spent in a retail store where supervised instruction and practice is given. A credit towards graduation is given for both the school instruction, and the work experience.

In school, the student is instructed in related work according to her job in the store. The coordinator checks to see that the trainee is working under satisfactory conditions, and is happy.

The Science Club is one of Central's younger organizations as it was reorganized just last year. Its purpose is to further interest in Science, and its membership is limited to those students who are really interested in Science. This organization tries to include in its program every phase of Science. Formerly, field trips were taken each semester, but due to Government restrictions they have been cancelled.

The purpose of the Masquers is "to recognize and to further and develop interest and talent in speech work for boys in Central High School.

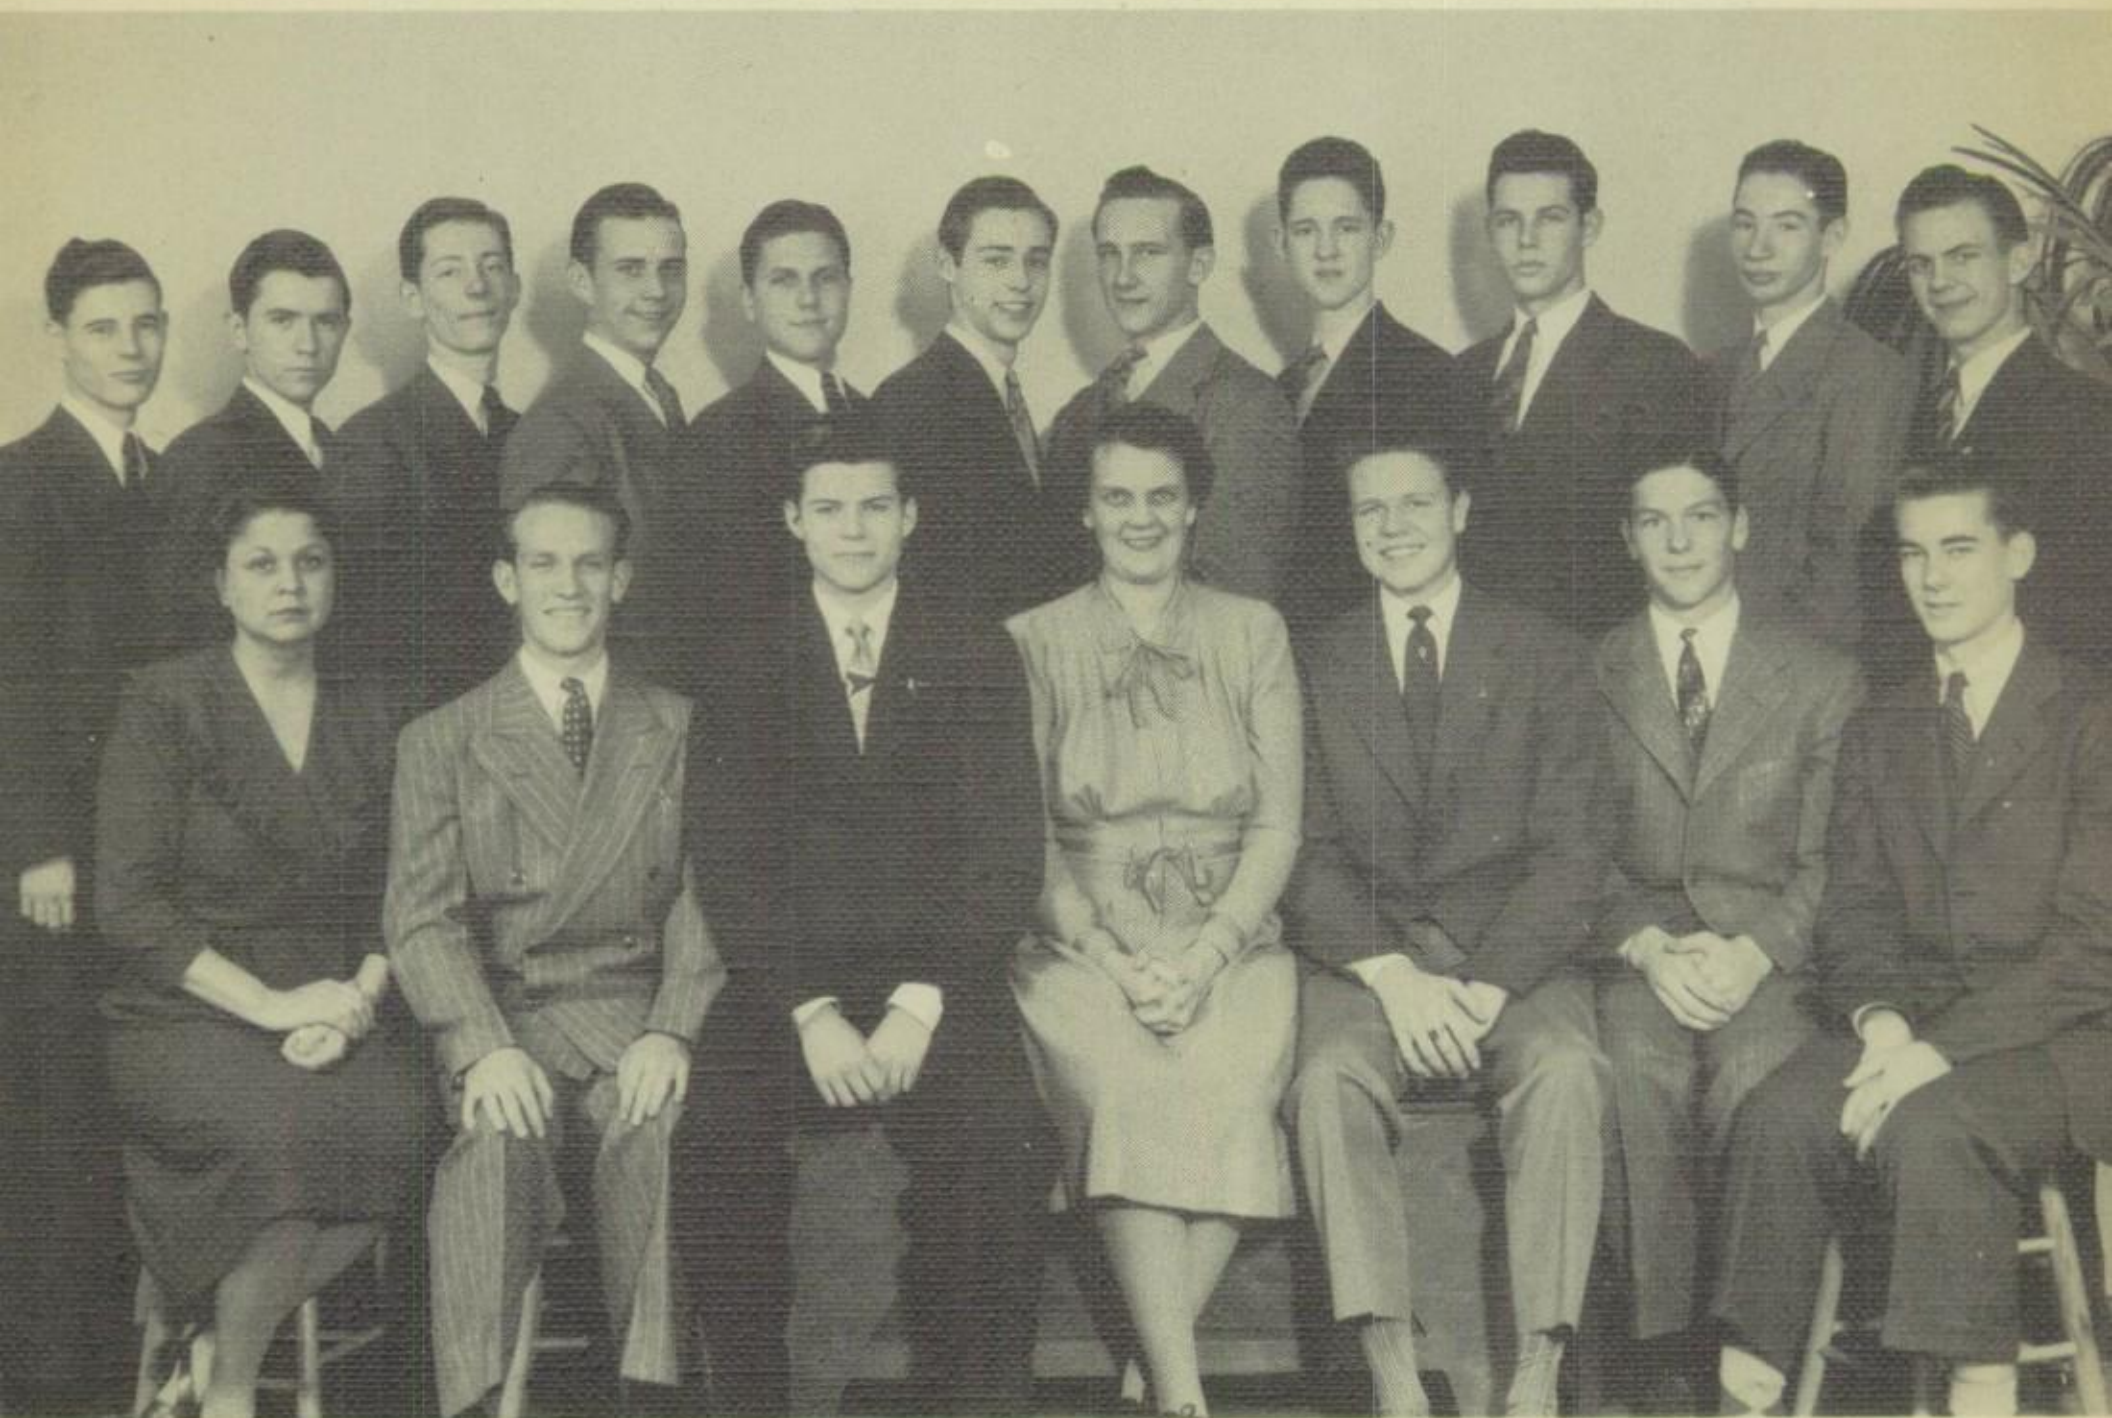

Organized in 1938 by six boys who had participated in the junior play, the Masquers is now one of the outstanding organizations in O. H. S. Membership is honorary and includes only those boys who have shown outstanding dramatic and speech talent along with the qualities of leadership. They know nothing of their election to membership until the president calls their names in assembly. The membership can never exceed twenty, and members are taken in only twice a year, at the conclusion of each semester.

Under the direction of their sponsor, Miss Maybelle Conger, the Masquers take pride in their many scholastic and social activities. Highlighting their calendar of events is their annual Founders' Day Banquet held each November, and their annual assembly.

"OUT OF THE FRYING PAN"

Three young men and three young women are sharing an apartment in all innocence. They are all would-be actors and have been driven to this communistic scheme by the lack of economic security. It is indeed a whacky plan they have in mind for the apartment they share is immediately above that of a Broadway producer who has quite a hit running and who is about to cast a road company. They rehearse the play which he is currently producing, but the problem is how to get him upstairs to see it. The plans are further complicated by a snippy young friend of one of the girls who threatens to tell the girl's father that she is living in what could very easily be construed to be an immoral manner. Now, it so happens that the producer is an amateur chef of some considerable ability, and right in the middle of a culinary concoction he runs out of flour. He comes upstairs to borrow some. At last! The kids have him in the house and they aren't going to let him out until he sees some evidence of their ability. So to impress him they stage a murder scene. It is so realistic that the police swarm into the scene and the misunderstanding becomes hilarious when it is discovered that the girl who is playing the corpse has been served a Mickey Finn. However, in spite of everything, what seems to be a profitable friendship springs up, equity dues get paid, the landlady gets her rent money, and it looks as if the future will be much brighter for the youngsters.

STAGE DOOR. Play in 3 acts by Edna Ferber & George S. Kaufman. One of the most successful plays ever offered. 11 men, 21 women.

THE STORY has to do with a group of young girls who have come to New York to study acting and find jobs. The scene is Mrs. Orcutt's boarding-house for girls, where the hopes and ambitions of sixteen young women are revealed in scenes of entertaining comedy. Contrasted with this are the pathetic cases of the girl without talent and the elderly actress whose days are over; but the central plot has to do with courageous Terry Randall, who fights her way against discouragement to a position in the theater where we are sure she will conquer. One of her fellow-aspirants gives up in despair, one gets married, and one goes into pictures, but Terry, with the help of idealistic Davis Kingsley, sticks to her guns. Color and contrast are offered to the scenes involving the young women by the characters of Mattie, the maid; Frank, her husband; a few young men callers, a movie magnate and young Keith Burgess, the playwright who "goes Hollywood."

"Little but mighty" is the motto of Central's orchestra for although it isn't one of the largest musical organizations at Central it contains some of the outstanding musicians in Central. Since the orchestra is fortunate enough to have both Mr. Long and Miss Robertson as instructors, the members are able to obtain individual attention.

The spring concert and the Tri-State contest highlighted the concert season and the annual spring picnic was held at Lincoln Park.

The Drum and Bugle Corps in their snappy red and black uniforms have achieved quite a reputation. They can be seen at the football games in colorful stunts, also in numerous pep assemblies, city-wide and state-wide parades, and events for other organizations outside school. At the end of the first semester the best pal and director of the Drum and bugle, Mr. Calavan, left for a much deserved promotion, but his position was very capably filled by Miss Winnie Robertson from El Paso.

One of Central's most inspiring organizations is the a cappella Choir. Its repertoire ranges from sacred numbers to musical comedy selections and one of the most enjoyable events of the year to Central's students is the a cappella's caroling at Christmas time. As its members and alumni will testify, singing requires brains and hard work, and consequently the choir is in itself an honor organization.

Organized only two years ago, the Music Club has become one of the most outstanding groups in Central. Its purpose is to further the enjoyment and appreciation of better music, and to encourage active participation in it. Membership in the club is by performance of a classical number and a "C" grade average must be maintained. The Music Club's annual assembly is looked forward to by all as one of the "big" events of the year because of its gorgeous costumes, splendid staging, and excellent music.

The Black Skirt Serenaders under the direction of "Pete" Long has become one of the outstanding entertainment units in Oklahoma City. This organization, the only one of its kind in the Southwest plays constantly at the Chamber of Commerce and for other civic organizations and is in constant demand by the nearby Army Air Bases.

At the Chamber of Commerce the Black Skirts have entertained famous notables including Red Skelton and Sigmund Romberg, and they also had the honor of playing for Colonel Hobby at the WAC convention.

The girls spent Christmas day at Will Rogers field entertaining the soldiers with performances at the Red Cross hospital and recreation hall.

But "all work and no play makes Jill a dull girl" so the Black Skirts entertained their dates with a wiener roast in January and in the spring a good time was had by all at Enid when the Serenaders put on an exhibition performance at the Tri-State contest.

The addition of the chorus of twenty girls under the direction of Miss Eva Lee is largely responsible for the Serenaders success this year. Not only is this organization an entertainment unit but it gives each girl sound musical training.

Central Sees Programs Based on Week's Theme

The assembly calendar this week has been especially interesting from the standpoint of National Education Week and National Peace Week. The various departments in the school have cooperated to bring these programs and speakers.

Tuesday morning the Music Club presented one of the most colorful assemblies of the year in the annual program. The theme of the program was "When the Lights Go on Again all over the World." Various warring countries and South America were shown in pictorial poses picturing them in the present way and showing the nationally characterized before the war. The program was held on Page 4.

Education

Central boys and girls have been working hard to make the most of their education. They have been studying hard and working hard to make the most of their education.

Attention First Aiders

Lady, if you see me lying On the ground and maybe dying, Let my blood run, bright and free, Don't attempt to bandage me. While there's life, there's hope so, pet,

Don't apply a tourniquet. Do not give, for my salvation, Artificial respiration! Do not stretch my bones or joints; Do not press my pressure points! If queer symptoms you should see Don't experiment on me! If I'm suffering from shock, You take a walk around the block. If you must be busy, pray Help to keep the crowds away! So, whatever my condition Phone at once for a physician. Let me lie, I'll take a chance. Waiting for the ambulance! From First Aid I beg release, For, let me die in peace!

"The Fool" goes this week to the story goes, Frank and Gene in the car in front of Marsh's and Frank dropped a lighted cigarette and causing a scramble looking for it, they literally "blew up" the whole front seat. Finally Frank the car and discovered his pants leg oh well, what more could we expect,

"Extra" Spirit Armed Centre

This "Extra" Armistice issue of the Sooner Spirit is published as a tribute to our Central boys in the armed services.

We cannot help but realize that these boys have made Central High School what it is today, and it is still the best school in Oklahoma City.

There are many names here that present students and service men will recognize as outstanding leaders in social and

and loyalty and devotion they have shown.

We will pay our respect and to acknowledge our gratitude to these boys in the pages of this special issue.

with determination and spirited strength. The tale of Central and of all other can high schools rests on boys sailing the oceans skies and firing the distant lands. The teachers of Central remember and are and confident.
